2023 Bakersfield, Four Points by Sheraton Hotel, 11 and 12 March, our 29th State Meeting, hosted by Division Commander Mike Climo.

Dixie West Arrival Soiree: Friday evening in the Hospitality Room 5 pm to midnight. We picked up our lanyards and registration packets and enjoyed libations and food. **Breakfast in the Bistro** was hosted by a single server, a grumpy man who could not deal with the number of our members who arrived for their included breakfast. Not a takeaway highlight, that.

8:30 am Welcome and Call to Order in the Belridge Meeting Room: Mike Climo, Commander; Invocation: Tod Terry; **Posting of Colors:** Greg Frazier, Sergeant-at-Arms & Color Sergeant; **Pledge to the United States Flag:** Steve Smith; **Salute to the Confederate Battle Flag:** Jim Millsap; **Reading of the Charge:** Steve Madden; **Roll Call** by Adjutant Vern Padgett: **With 8 camps present, we had a quorum.** Camps absent: 2023; 1631; 2062, and 2007. **Introduction of Guests:** **UDC State President Terrie Madler** invited us to the Daughter's Annual Meeting at this hotel on 6 October. Their President General will be in attendance. **OCR California Society President Sandy Padgett** offered greetings and introduced Jeannie Terry as the new Bakersfield Chapter President.

Special Report: Graves Guardian Program, Tod Terry: We have 2 members with National Graves Awards, Tod Terry and Greg Frazier. We have the potential to have the largest program in the nation; We have SCV, UDC, CoC, and OCR; the only program with all those; no other program approaches ours-- the next largest program, Alabama, has 29 Grave Guardians. Our database has more than 1700 graves listed, with detailed information; Tod will forward to HQ.

Lt Commander Jim Millsap presented a 29-year history of the development of our division from its founding in 1994 to the present. Peak membership was in 2006 with 323 members; we added 4 new camps in 2003; we first met here in Bakersfield in 2015 and have continued to meet here.

Chief of Staff and Past Commander Steve Smith discussed the location of our yearly meeting and the need to delegate some meeting duties. Members should arrive early to help set up.

Adjutant & Treasurer Reports by Vern Padgett: We have 12 camps. We have 222 members based on paid division member dues. Our camps range as far as 504 miles away from each other -- From Father A. J. Ryan Camp 302 San Diego, in the South, to George Blake Cosby Camp 1627 in Sacramento, a distance greater than the Texas border to Georgia. **We have a roster** with contact information for our division leaders, and we have a training manual for officers, both on our web site. Our division has been meeting every year except one since 1994, when the Division was founded. This meeting is our 29th Annual ReConfederation. A **History of our Division Reunions** is on our web site. We continue to have the support of California OCR, with Society President Sandy Padgett and Bakersfield Chapter President Jeanne Terry.

We gave a separate financial report for last year's ReConfederation. Sales at the Auction table added \$748. We cleared \$529 overall. One year ago, I reported a division balance of \$9576. Since that time, we received \$2,215 in yearly dues payments at \$10 a man; we received the \$529 overage from our 2022 ReConfederation; Amazon Smile donated a total of \$26; we received a gift of \$100 in April; we received \$105 for 3 Hunley Awards from Jim Stephens in late April, and \$100 from Camp 1770 for our National Museum in Aug for a total income of \$3075. After our meeting last year, we spent \$300 for Division Commander Travel, \$50 to Camp 302 for sharing costs of Zoom, \$350 to Alexander Person, receiving our first Division Scholarship; \$600 to Emma Sansom UDC Chapter 449 to help with Hollywood-Forever markers, \$30 to Tod Terry, to share with Camp 2048 the cost of an award to our former UDC president, \$20 to HQ SCV for a Replacement Charter for Camp 2048, \$406 to Chris Hurst-Loeffler for reimbursement of 100 Grave Guardian pins; \$209 to Tod Terry, to budget for the Grave Guardian Program; banking costs of \$60; \$490 to Jim Millsap reimbursement for Division pins; \$757 to Ted Boyias for 21 grave markers, and \$693 to Tod Terry and The Lock Up III for one year storage, for a total of \$3965 spent. Balance forward of \$9576 plus income of \$3075 less expenses of \$3965 leaves us with a balance of \$8686, including \$1150 belonging to Camp 1631 Santa Barbara. At our last DEC Meeting, we discussed a donation to our National

Museum. For this coming year we owe the balance of expenses to this hotel, \$300 for the Commander's Travel, \$300 for Webmaster's fees, and \$600 for our storage locker.

Commander Climo expressed concern regarding the permanence of the cenotaphs (grave markers) obtained by Ted Boyias and the vetting of the names selected and will follow up with him.

Upper South Brigade report by Tad Smith focused on membership: Dues collection should start in May with an e-mail to every member, explaining dues collection with deadlines. Tad stressed the importance of follow up e-mails or handwritten notes in renewals. Send a letter requesting dues by June 15th, followed by reminder e-mails on July 1st and 15th. Send a final letter shortly after July 15th to those who have not renewed. Camp 1627 pays dues for several men with financial problems. Tad recommends the HQ Adjutant training. He files the 990N e-postcard after end of fiscal year 31 July. Long-time member Lou Olker is well and sends greetings.

Lower South Brigade report by Steve Browning "Number 1 is communication." Need a vision of the purpose for the camp: To honor our ancestors. Call him anytime. **Motion by Mike Climo** to provide travel funds of \$300 to the brigade commanders. **Judge Advocate report by Robert Crook** "all camps should have a list of camp assets." Each camp should have 2 signatories on their bank account and provide those names to Division. Insurance: We should have a general liability risk insurance policy; Robert says he can obtain one for approximately \$1000 a year. Mike suggested that Camps cover the cost. Tabled. **Sergeant-at-Arms/Color Sergeant report by Greg Frazier** Greg demonstrated the utility of vintage Christmas-tree stands for use as flag stands; 6 fit in a carry bag and weigh less than 15 lbs. **Kevin Street** received his 8th Sibley Award; he noted that he could not remember why he was given the award. Greg distributed our Division Pin for sale at \$5 each; see Tod. **Quartermaster report by Tod Terry** Storage for division supplied will cost \$600 a year. Tod presented a 5-year Award to Glen Edwards acknowledging his service to Camp 2048 and to the Division, **Historian report by Russ Person**: The Central Valley is a fertile ground for radio waves sharing our message. Russ proposed a one-month radio campaign, with full or half-minute radio spots, centered in Fresno. He proposed a \$2000 budget. The radio messages can be read/heard on the Make Dixie Great Again website [radio free dixie- scripts 9-1-20.pdf](http://radio.free.dixie-scripts.9-1-20.pdf) (makedixiegreatagain.com). The Fake History Ad seems most useful to us here in Dixie West. Check the Kennedy Twins videos on YouTube.com. Russ will present a historical PPT with Aaron Moore at Rosedale Middle School. Referring to past presentations: "Not one child left believing the War was over slavery."

Webmaster report by Mike Climo: He has child-friendly Huntington Beach and Buena Park presentations. Mike McGee of Camp 1208 offered a mascot coloring book to us free for reaching out to children. We use Brave.net out of Canada. Mike operates 32 accounts.

Camp Reports

302 by Jim Stephens: Sponsors the Zoom meetings for the Division Exec Council. Musket Shoot. Supports Wreaths Across America. Jim publishes a prize-winning camp newsletter and appreciates the articles on Southern History from Ted Boyias and is looking for more.

1208 by Robert Crook: Joint meetings with Stars and Bars; donations to Whittier Historical Society and Oakwood Foundation and Pasadena CW Roundtable; one Hunley Award presented; two of our members serve on national committees and two attended the national meeting in Cartersville, Georgia.

1440 by Lynn Malaznik: David Pyle has moved to Idaho and Lynn is not sure as to the state of the Camp.

1627 Sacramento, Tad Smith: the largest, with 47 members, of whom 13 are Life Members, has had steady membership from last year. Steve Bogart is the new commander. His COPD keeps him away from crowds. The camp hosted a family BBQ in November, and conducted 4 meetings, including one at the gravesite of General G. B. Cosby at Sacramento City Cemetery. Tad presented on the Dred Scott Decision at the Sacramento CW Roundtable. The camp pledged \$1000 for the National Museum.

Participated in the Huntington Beach Reenactment and were invited to return with their camp flag (a Battle Flag). The VFW invited us and we posted our Colors. We met together for lunch and business; we posted the Colors during National Memorial Day in Santa Ana; we walked 3 cemeteries and posted small flags on each grave and prayed over our Confederate Dead. We participated in the 'Wreaths across America' and sponsored a Lee/Jackson Luncheon where our guests included the California Division Commander,

the past Division Commander, the Inland Empire Camp Commander, the past UDC California Division President, 2 local UDC Chapter Presidents, Patricia Bricken, and our members.

1742 by Steve Madden: Big plans for the coming year.

1804 Fresno by Jay Gillette: Bill Lee visited Chattanooga Camp 3 and mapped the Confederates in their cemetery. Compatriot Lee showed me the notebook he created for them, which outlined the locations of all Confederates buried there. Camp 1804 held 10 regular meetings with half the camp members in attendance. The camp had a booth at the Pioneer Days at Porterville.

2048 Tehachapi by Kevin Street. The camp has 25 members. They meet once a month at the Tehachapi Village Grill. They had a presence at Fort Tejon and a booth and a parade at Old West Days in Randsburg. The camp placed 2 monuments in Union Cemetery. They hosted Wreaths Across America. Tod Terry formed the California Graves Guardian Program and catalogued 1500 graves. Greg Frazier published 14 photos this past year and 62 overall. The camp presented 2 Hunley Awards and gave school presentations. The camp recovered our Hollywood Forever Cemetery Confederate brass marker, which they displayed throughout the meeting.

Reading of Greetings from Jason Boshears; Camp of the Year Voting: Camp 2048 won Camp of the Year again and **Minutes of 2022** meeting were approved.

Challenge Coin report by Jim Millsap: The program has nearly paid for itself already. \$200 for ¼ page advertisement in the *Confederate Veteran* and postage. USPS for a small box is \$10.20. A new order for 300 coins is \$1060. 200 coins \$1057 and 100 coins \$613.

Commander Climo commented on the good turnout via Zoom for our division Executive Committee, **Quartermaster Tod Terry** report on storage unit in Bakersfield. **Mike Climo appointed** the chief of staff; the adjutant/treasurer; genealogist; historian; quartermaster; the color sergeant/sergeant at arms; judge advocate, and chaplain.

Elections: We had 3 candidates for our new division Commander: Mike Climo, Kevin Street, and Robert Crook. Mike is well-known at HQ and noted how CiC Jason Boshears intervened on our behalf with Randy Burbage to deliver California's awards in a timely manner. Kevin's platform was to re-elect Mike and work with the UDC more. **Mike Climo was re-elected Division commander.** Greg Frazier accepted an appointment as Chaplain.

Our meeting next year will be in here again. Discussion followed regarding combining with UDC in the future for our meetings (they meet at the 4 Points as well at another time).

Benediction by Greg Frazier, and **Adjournment** 12:49 pm.

Massing of Colors at the Gazebo at 4:45 pm produced a stunning group photo.

Decoration of Banquet Room and setup of Silent Auction: Robert Crook delivered our Banquet Address, detailing the history, design, construction, and placement of the Nathan Forrest statue. **Camp of the Year** again went to Tehachapi Camp 2048. **The Chuck Norred (Rebel of the Year) Leadership Award** by unanimous vote went to Tod Terry of Tehachapi Camp 2048.

Tod Terry and Chris Hurst-Loeffler presented 6 Charter Grave Guardian Awards: Lori Jackson -1 grave; Susan Bubnar - 1 grave; Caleb Stonewall Anakin Jackson (CSA Jackson) -1 grave; Margaret Alley-2 graves; Christina Hurst-Loeffler -6 graves, and Tod Terry -16 graves.

Silent Auction: Again this year we filled the tables with Confederate-related book, clothing, awards, and other items and opened it all for bidding. Jim Millsap and Roy Adair set it all out and finished accounting at the close. The Dixie West Saturday Evening Soiree continued in the Hospitality Room until midnight.

Ceremony at Union Cemetery Sunday morning by Jim Stephens Camp 302

We joined with the UDC Mary Boykin Chesnut Chapter 2634 Bakersfield to pay our respects to the Confederate veterans interred at Bakersfield's Union Cemetery. California UDC President Terry Madler and Chapter President Mrs. Pennie Lizalde welcomed everyone. Mrs. Ashley Cooper delivered the Invocation and members of the California SCV, led by Greg Frazier, Tehachapi Camp 2048, posted the colors. Mrs. Lizalde led the Pledge of Allegiance to the U.S. Flag, followed by Mrs. Mary Ann Claxton leading us in a Salute to the Confederate Flag. We read Memorials to the Confederate Veterans, Women of the Confederacy and Veterans of all Wars. As in all of our ceremonies, we presented a red rose in honor of our Confederate ancestor during the Roll Call of the States. This was led by Mrs. Claxton and Robbie Byrne. Then came the presentation of the wreath. Then, the Closing Prayer and the traditional Honor Guard Salute with pistols led by Greg Frazier, Tod Terry, Simon Reid, Steve Smith, and Glen Edwards.

Many of us gathered at the two very old and deteriorated wooden grave markers for the wife and child of Nathaniel Roberts Wilkinson, Company I, 13th Regiment, Virginia Cavalry, to view the new metal plaque installed by Tehachapi Camp 2048 commemorating this burial site. Then Greg led us to the sealed Kern County Abbey Mausoleum—condemned as the result of earthquake damage during the 1970s— for the dedication of the plaque placed next to the wall of the edifice honoring Benjamin C. Williams, Company G, 3rd Regiment, Arkansas Infantry. For safety, numerous bodies, including Mr. Williams, were left inside. Williams served the Confederacy in Arkansas as Consul. Later, he had real estate and insurance businesses in Bakersfield. He was killed in an auto accident at Morro Bay while driving with his son. He was interred in the Abbey in 1922.

DIVISION REPORTS

Commander: Mike Climo: Commander and Adjutant to continue in their present positions. Lt. Commander: Jim Millsap; Division Chief of Staff & Past Commander: Steve Smith: Centerpieces, up to 3 from each camp, for next year.

Adjutant & Treasurer Vern Padgett: We have 12 camps. We have 240 members who paid their \$10 division dues this past year. Our camps range as far as 504 miles away from each other-- From Father A. J. Ryan Camp 302 San Diego, in the South, to George Blake Cosby Camp 1627 in Sacramento, a distance greater than from Charleston, South Carolina to Charleston, West Virginia, and a distance greater than from Savannah Georgia to Richmond Virginia, farther than it is from New Orleans to Missouri and nearly as far as it is from New Orleans to Nashville, We have a roster with contact information for our leaders, and we have a training manual for officers, Both documents are on our web site, Our division has been meeting each year except one every year since 1994. That year, 1994 was the year the California Division was founded. It was with sadness that we marked the passing, last June, of a Camp 1208 Compatriot and our first division commander, Jeffrey Towery, who founded our California Division. This meeting is our 28th Annual ReConfederation, A *History of our Division Reunions* is on our web site. Treasury: We have a balance of \$9576. Bob Williams made a separate financial report for last year's ReConfederation and told me we made some money from it. Sales at the Auction table added \$815. For this coming year, we owe the balance of expenses to this hotel, \$300 for the Commander's Travel, \$300 for Webmaster's fees (he waived them), and fees for a storage room. In addition to our division account, we are holding \$1150 for Camp 1631 Santa Barbara, who closed their bank account, on advice from HQ, in order to handle their failure to file the IRS postcard for 3 years in a row.

Sergeant-at-Arms & Color Sergeant: Greg Frazier: Meet at 4:45 pm for group photo and parade to Meeting Room. Judge Advocate: Robert Crook: SCV California Division will be the name on our storage unit, with two persons named for access: Quartermaster (Tod Terry) and Brigade Commander.

Quartermaster Tod Terry: 5'x10' units available at \$50 a month. We will go forward in renting a unit.

Hunley Awards Division Liaison: Jim Millsap (for Jim Stephens) will make Hunley Awards available to camp members, Hunley Awards: Jim Millsap reported that all San Diego area schools had dropped out of the program, but the U.S. Army still allows awards if the school permits it.

Webmaster: Mike Climo: We will switch to a Canadian company, Brave.net, as our host. Future California web site charges will be zero. Canadians don't care about the Battle Flag. Only 2 minutes downtime.

CAMP REPORTS

Camp 302 San Diego Commander Jim Millsap: Steve Steinberg is a good recruiter; 6 meetings a year; \$500 donated to the

Forrest reinterment, and \$1000 to the National Museum. October is the black powder shoot with participation with SUV. The 9/11 Ceremony at grave of Drew Bailey, CSA, continues. John Kleindienst's contributions are acknowledged.

1208 General John Bell Hood Los Angeles, Robert Crook, Commander. Camp 1208, along with sister UDC and SCV Camps, contributed to the placement of a marker upon the unmarked grave of a Confederate veteran. Tim Watts, a compatriot from Tennessee, learned that Captain James F. Overton was buried in Inglewood, California, and that his grave was unmarked. Through the efforts of local United Daughters of the Confederacy, we obtained a granite marker through the Veteran's Administration. The cost of the marker was shared between our local UDC, Camp 1208, and SCV camps in Tennessee and Kentucky. Camp members attended the Reconfederation (Bakersfield) and the national reunion (Metairie, Louisiana). Robert Crook participated in the John C. Calhoun Oratory Contest, the first time a member from California Division has participated. During the national reunion, Robert Crook made a floral presentation jointly with MOS&B Chapter 89 at the tomb of General John Bell Hood and his family. Our Camp and the Chapter share General Hood's name. The Camp donated to Friends of the Hunley, Oakwood Cemetery Restoration Fund, and the SCV National Confederate Museum in Elmwood, Tennessee. Members of Camp 1208 continued to contribute historical memorabilia to the National Confederate Museum, including the handwritten announcement by the United States Senate to Roger Taney announcing his appointment to the United States Supreme Court as Chief Justice.

1440 Stainless Banner San Jose. Commander David Pyle reported 14 members and more to come soon; Adjutant Gary Waltrip has a rich collection of historical documents and artifacts from the Camp; Oak Hill Cemetery is flagged and maintained.

1627 Sacramento General G. B. Cosby, Adjutant Tad Smith, the largest camp in the Division with 47 members, including 14 Life Members, down only one member since last year. Tad reported that membership numbers have remained steady during his 14 years as Camp Adjutant. See page 41 of current CV for the California Confederate Flag on display at the State Capitol with members Tad and son Preston. The Camp hosted the annual BBQ in July for members, family, and friends. In November, they met at Sacramento City Cemetery at the gravesite of General George Blake Cosby, their tradition. COVID concerns precluded normal meetings. Regular meetings will resume this month. In March, they will have a program on the Dred Scott Supreme Court decision. Tad will be the presenter, as he gave that talk at the Sacramento Civil War Round Table. In May, the camp will hear about Confederate sharpshooters.

1742 Inland Empire, Steve Madden, Commander, spoke to a need for growth and leadership. They mourn the loss of senior members James Meador and Gerry Dupree. Commander Madden's computer was badly hacked; the camp was held together by Adjutant Jon Hussey, a former Air Force major. Plans for the camp's future include arranging regular meetings, reaching out to the desert and mountain communities, publishing a camp newsletter, and involving other camps in Inland Empire activities.

1770, Farrell Cooley, Commander, Orange County. Raised membership from 15 to 24; stated that there are more Confederate graves in Orange County (about 98) than in any other California County except in the Central Valley. Plans include replacing stones at Fairhaven and Santa Ana Cemeteries and promoting the camp via donations to the homeless and the Orangewood Children's Home.

1804 Fresno, Randy Dhindsa, Adjutant. Added 13 new members in the past year. Randy is also commander of SUV and SAR and brings in new members to SCV. Camp participates in CWRTs. There is a historical home in Fresno known as the "Thomas R. Meux Home." With all the hoopla around tearing down anything that has to do with the Confederacy, the historical society had asked the Fresno City Council to take up renaming the house. They wanted to take his name down because he served as a captain, Asst. Surgeon, in the 9th Tennessee. The sad part about this is that it was the Meux family who donated this home to the city. Dr. Meux served as president of the Fresno Medical society and was instrumental in bringing free and quality medical care to the poor. Camp 1804 put together a campaign to speak with our elected leaders to discuss the historical importance of the home and Dr. Meux's contributions to our community. We targeted the more liberal councilmen and approached them with the notion that we, as Americans, are redeemers and we love people who take a perceived "bad" and "turn" it into a good. We judge by the content of one's character and their legacy. Dr. Meux left a legacy of service to the sick and poor. He pioneered the Fresno medical association. The city voted to table discussion.

2048 Bakersfield-Tehachapi A. S. Johnston, Steve Browning: Held meetings monthly during the "shutdown" of the world; rescued two Jefferson Davis Hwy markers and one Stonewall Jackson marker and returned them to the UDC; saved an Iron Cross of Honor and a UCV Drum; provided a Color Guard for the Old West Days in Randsburg, located and

maintained the graves of A. S. Johnston's wife and son. Restored many graves; one member has Guardianship of 31 graves; Greg Frazier and Steve Browning served as Honor Guard as well as pallbearers at the reinterment of General Nathan Bedford Forrest and his wife. Historian Russ Person authored more than 2000 articles on various online platforms; camp participation in Wreaths Across America continues; Greg Frazier published more than 35 works in *Confederate Veteran*, and the camp's online platforms have had more than 21,000 views in the past month alone.

OLD BUSINESS: Minutes from last ReConfederation approved.

NEW BUSINESS: Announcements; National ReConfederation; Division Brigade Commander Elections: Steve Browning elected as "Lower South" Division Brigade Commander. Adjutant Tad Smith of Sacramento Camp 1627 became "Upper South" Division Brigade Commander. National Awards Nominations need to be to Mike by 15 April.

GUEST PRESENTATIONS: Army of the Trans-Mississippi Commander: J.C. Hanna discussed options under consideration for renaming our National Confederate Museum. Past Commander ATM Charles Lauret seeks our support for ATM Councilman; Commander, Louisiana Division: George Gremillion shared a brief story about Pierre.

Our next Reconfederation will be here on same dates in March 2023. Chaplain David Pyle delivered the benediction and we adjourned at 12:47.

4:45 pm *Massing of the Colors and Presentation of Flags* in the Hotel Courtyard. *Piper Robert Byrne* regaled us with his bagpiping.

5 pm Decoration of Ballroom and setup for Silent Auction before Dinner. Camp 302's Simon Reid and Zane Welsh of Camp 2048 serenaded the gathering with old Southern tunes on their banjos. *Roy Adair and Jim Millsap* organized the Silent Auction. Although the choices were slimmer than last year, the total sales came to \$784, adding in the sales of 3 Challenge Coins and Mike's ditty bags.

At the Banquet, Chris Hurst-Loeffler spoke of her service to UDC and her regret that her term was ending. It was painful to hear her bid farewell as President of the California Division. We shall miss her adroit ease as a speaker, and her understated eloquence.

Steve Smith made a beautiful tribute to his recently-passed wife Deanne, and I asked him to show me the items on it—photo books of Deanne through the years. Deanne was with Sandy in Order of Confederate Rose as the other chapter president. Deanne was always busy behind the scenes setting up SCV events, like the black powder musket shoot, which she won more than once.

ATM Commander J.C. Hanna gave his recollections of the recent reinterment of General Forrest. J.C. said that the rain came down in buckets just before the ceremony started, and everyone ran to their vehicles for shelter, but they did not leave. Then the sun came out for the entire ceremony. Then the rain started again. Charles Lauret, our past ATM Commander, spoke on Acadian General Alfred Mouton and the War, based on the biography by William Arceneaux.

Presentation of Division Awards: Commander Mike Climo awarded Camp of the Year to Bakersfield-Tehachapi 2048, and the Chuck Norred Leadership Award to Robert Crook of Camp 1208, and the Division Commander's Award to Vern Padgett, also of Camp 1208 Los Angeles. We sang **Dixie** and had a short **Benediction** by Chaplain David Pyle. **Karaoke** Charles Lauret sang "Brandy" and it could have been on the charts; he was that good. 9 pm – Midnight **Hospitality Room:** Libations, Light Food, & Camaraderie

Sunday Morning Memorial Service at Union Cemetery conducted by Chapter President Pennie Lizalde, assisted by Ex-President of the California Division Maryann Claxton, Division Recorder of Military Service Awards and Chapter Vice President Ashley Cooper, along with members of the Mary Boykin Chestnut Chapter 2634, California Division of the United Daughters of the Confederacy and Lt. Commander Kevin Street of the General Albert Sidney Johnston Camp 2048. Also present were California Division President Christina Hurst-Loeffler, Ex-President of Division Robyn Adair, Division 1st Vice President Terrie Madler, 2nd Vice President Marilyn Lagier, and Custodian of Flags Terry Hooper. President Lizalde welcomed all, and guided the Memorial, acknowledging Confederate veterans, women of the Confederacy, and Veterans of all wars. More than 2000 Confederate Veterans made their way to California after the War, and many settled in the Bakersfield area. During the Roll Call of States, the service of members' ancestors and that of those buried in the cemetery was acknowledged. Camp 302's Roy Adair and George Faircloth placed the traditional rose in the vase to honor their Confederate ancestors. Rob Byrne again sounded the bagpipes. General Albert Sidney Johnston Camp 2048 provided the SCV Color Guard and the Honor Guard rifle salute. Thanks to Chris Hurst-Loeffler and Jim Stephens for the writing in this paragraph.

2021 Bakersfield, Four Points by Sheraton Hotel, 11-14 March, our 27th State Meeting, our Bakersfield Re-Confederation, hosted by Robert Williams, Camp 1770 Orange County. It was our largest attendance of both members and guests. The Commander-In-Chief, Larry McCluney, commented that it was one of the very best Division Reunions he had attended. **This report is based** on notes from Jim Millsap, Robert Williams, Christina Hurst-Loeffler, and Steve Browning.

Thursday 11 March: Commander Robert Williams and Quartermaster Ryan Williams, and Louisiana Division Commander George Gremillion arrived in Bakersfield and met Lt. Commander Jason Boshers and his wife Linda at Meadows Field Airport in Bakersfield. With Lt Cmdr Mike Climo, the group went to "Prairie Fire," an open-air rooftop bar and restaurant at the Padre Hotel. Russ Person joined them, and much fun and drinks were had with live music by country singer Tim Styles, who featured his new LP "Vaquero." The group set up a meeting check-in inside the hotel lobby and presented members with a gift bag that included a Battle Flag coozie, a 20-page color business program booklet, and an SCV notebook and pen. We used ID lanyards for the first time to enhance security.

Friday 12 March: Our Friday evening event was named the Lt. Colonel Dan Showalter 2021 Soiree in honor of this genuine California Confederate "bad-ass." His biography, *An Arch Rebel Like Myself*, was written by past Commander Gene Armistead of Camp 302. The suite had a poster featuring his book.

Saturday Morning Business Meeting 13 March Call to Order 0830 by Division Commander Robert Williams. **Invocation** by Chaplain David Pyle. **Posting of Colors** led by Sergeant-at-Arms and Color Sergeant Greg Frazier. Pledge of Allegiance to the United States Flag led by Mike Climo. Steve Browning led the **Salute to the Confederate Flag**. **The Charge** was read by Commander Robert Williams.

With 9 of 13 camps present, we had a quorum. All camps were represented except Camp 1631 Santa Barbara, 2007 Long Beach and 2023 Modesto.

Camp reports were presented by each of the camp representatives. Los Angeles Camp 1208 presented \$500 to CiC Larry McCluney for the Museum. **Division reports:** Robert Crook, Legal Counsel, advised that the division logo "Dixie West" had received copyright protection.

Commander's Report: The 2019-2020 fiscal year concluded after the Re-confederation with the submission of Annual Camp Reports, an Annual Division Report, and award nominations by Camp Commanders; Division had six men attending the National Reunion in St. Augustine: Robert and Ryan Williams, Steve Smith, Mike Climo, Roy Adair, and Vern Padgett. Camp 302 San Diego received a National Award for the best newsletter in all SCV for camps with fewer than 50 members. That newsletter is published by Jim Stephens, and the award was received by Roy Adair and Steve Smith of Camp 302. The Division received recognition for donating \$2500 for the new National Confederate Museum. We placed a check for that amount in the hands of CiC Paul Gramling at our National Reunion in St. Augustine Florida in July. The Division chartered a new Headquarters Camp 2322, Lt Colonel Dan Showalter, to expedite enrolling new members. The Division Executive Council met five times during the year to conduct Division business and plan for the Re-confederation.

Minutes from our meeting last year were approved by voice vote. **Adjutant and Treasurer** Vern Padgett reported that we have 13 camps, ranging from San Diego in the South, to Sacramento, a distance greater than from Charleston SC to Charleston WV. We had 242 men who paid the \$10 yearly division dues. Our Treasury had, one year ago, \$9459 in cash, and 10 Challenge Coins. Since then, we received \$2240 in Division dues payments from our 13 camps; \$240 from R. Williams for Hunley Awards; \$280 from R. Williams and Jim Millsap for Challenge Coins; \$150 from OCR for UDC Monument Rescue; \$17.97 from the AmazonSmile Foundation, and for registrations for this meeting, \$3977, for a total income of \$6905. Following our meeting last year, we disbursed \$240 in refunds to Matthew Allen and Ted Boyias, \$838 reimbursement to R. Williams; \$150 to Mike Climo for web services; \$3397 to Four Points by Sheraton; \$535 to R. Williams and Kevin Street for the UDC Plaque Rescue Trip; a \$750 donation to UDC, and a donation of \$2500 to our SCV HQ Museum on 17 July in St. Augustine, which we (RW; MC: VP) handed to CiC Paul Gramling during the Business session of the National Reunion. Balance forward of \$9459, plus income \$6905, less expenses of \$8410, left \$7954.

Guests included CiC Larry McCluney of Mississippi, Lt CiC Jason Boshers of Tennessee, author and former Louisiana Division Commander Donnie Kennedy, and George Gremillion, present Louisiana Division Commander. Also present were the UDC California President, Christine Hurst-Loeffler, and OCR California President Sandra Padgett.

Division Re-Confederation Ribbons: Color Sergeant and Sergeant-at-Arms Greg Frazier introduced the new Re-Confederation Ribbon. This is a special commemorative ribbon that he designed. It consists of gray and yellow bars with a "C" pin in the middle. The ribbon is only available to the members of the Division and may be worn by members who have attended a Re-Confederation starting from last year. The ribbon is to be worn above the heart.

Division Elections: Commander Williams and Lt Commander Mike Climo were re-elected for 2-year terms. There were no other nominations.

Museum at Elm Springs: CiC McCluney briefed us on the internment of General Forrest. The removal of the Forrest tomb at Memphis and the relocation to Elm Springs will be lengthy. The details of the internment at Elm Springs will depend on the wishes of the Forrest family, as this is being handled as a funeral. We do not know if SCV members will be invited. Weather and seasonal change will determine the schedule of internment; there is no set date.

Discussion of artifacts considered for the Museum: Many artifacts that were on display at the Museum of the Confederacy (now the Civil War museum) in Richmond belong to private parties; it is not determined what will be on display. Both McCluney and Boshers emphasized that the museum belongs to the SCV members; so the members will determine what is displayed and what the message will be. Display cabinets for the museum will be purchased and fundraising for these cabinets will be needed. Cloth artifacts with a story are sought for display since there are plenty of muskets already donated for display. There are two original Confederate Flags on loan. There will be brick walkways connecting the Elm Springs mansion with the Museum. The walkways will be similar to the memorial "Bricks of Beauvoir." SCV members may obtain memorial bricks for the walkways to honor their ancestors.

Our Saturday afternoon session from 1:30 to 2:30 included two unique events: A book signing by author and Chief of Heritage Operations Donnie Kennedy, and a Q&A with all three of our National guests. The CIC remarked that it was a great idea and that he had not seen it done before---a great compliment. We introduced World War II veteran Chestley S. Styles of Camp 2048. He shared his memories of meeting General George Patton in the field. Chesty shot down two German aircraft, a Ju-87 Stuka dive-bomber and an FW-190, while serving as a gunner on a quad .50 anti-aircraft machinegun. Adjutant Steven Browning reported that he has tons of stories and is a "hoot to be around" and says he is happiest when he is around his SCV brothers. Steve Madden asked our guest to tell a bit about themselves:

Larry McCluney resides in Greenwood, Mississippi with his wife Julia. They have been married for over 27 years and have no children. Larry has been a professor at Mississippi Delta Community College and a high school history teacher for honors students for over 27 years. He received his BA and MA from Mississippi State University. He was named Number 1 History Teacher in the State of Mississippi.

Jason Boshers resides in Mt Pleasant, Tennessee with his wife; he has lived there all his life. Jason's professional background is in computer technology (IT). Jason and his wife have no children. Jason mentioned that as LtCiC, part of his duties are recruitment and retention of members, and he paid us a compliment, stating that there are camps and Divisions that the National officers have to spend extra time on, due to internal politics, etc., but he "never has to worry about the California Division."

Topics reviewed: Proposal to remove Battle Flag from the SCV logo. Larry McCluney stated that he would not endorse this. Workshops on dealing with the media are ongoing, and the results will be communicated to Division leaders.

What specific steps are being taken to fight the removal of Confederate monuments? SCV is fully engaged with the removal of monuments; however, when monuments are removed they are being kept in private storage and are not offered to the SCV organization; in other words; the advocates for monument removal do not want these to be in the hands of the SCV organization that would display these on private property.

The 2021 Chuck Norred Leadership Award went to Jim Stephens of Camp 302 San Diego. The presentation by Walter Donald "Donnie" Kennedy shook the banquet room. Our Silent Auction brought in \$815 to the division, and the sale of Challenge Coin sales added another \$120. Festivities continued later in the Hospitality Room.

Saturday morning, we toured the Smiley Library, led by Docent Steve Madden, followed by a catered lunch in the library. The postcard read "Interesting in preserving Confederate cultural heritage? Return this card today for more information or call 1800 MY SOUTH or visit us online at 1800MySouth.com." Ben Sewell sent me scans of those from California addresses. I sent the contact info for each man to the camp nearest them. I also USPS mailed info to each man, 107 in total. Adjutant also reported creating and submitting a 2 inch column ad to *California Rifle and Pistol Association Newsletter*, which was rejected without explanation. He reported on the training manual for our division, created using sections of the Camp Handbook (available from HQ) and our division constitution.

Webmaster Report: Climo: Mike designed the Texas Division website. **Camp reports: 302** Roy Adair: Planned activities in 10 of the years months. 302 works with Union groups and works with David Lugo, a great supporter of SCV, organizing the memorial service at Mt. Heritage Chief Mike Schooling reviewed the Bakersfield Welcome sign incident of last year (our SCV sign was removed, but so were all the others!). Mike Presswood told of our flag disappearing from the podium after we posted it there at L.A. National Cemetery last Memorial Day (we found it behind the stands). Banquet speaker was retired Chief Petty Officer Stuart Hedley, who was on board the USS West Virginia during the attack at Pearl Harbor. After his inspiring presentation, Ernie Powell recited the poem "The Conquered Banner." On Sunday morning we toured the MCAS Miramar Aviation Museum, conducted by museum curator Steve Smith. The other option was a tour of the USS Midway, led by Roy Adair and Jim Stephens (I had just been there, so I went to the Museum).

2010 Lebec (Fort Tejon), Best-Rest Inn, 24 April. 16th Reunion. Organized by Mike Presswood and Vern Padgett of Camp 1208. We had 9 of 12 camps attending. Absent were 2023 Modesto, 1440 San Jose, and 1627 Sacramento. We had a big balance from our last year's reunion, and I dropped the registration all the way down to \$25 per person for this one. We still cleared a profit. It can be done men! Friday evening reception, Vern served beer that he made himself. Business Meeting, 9:15 am. Our division has \$3528 and 236 men. Chuck Norred spoke on the topic of our having a division newsletter, and Roger Anderson of Camp 2062 volunteered to do so. Dinner: Authentic 1860's food at Ft. Tejon, cooked over an open fire, courtesy of Les Gilbert, Fort Tejon Dragoon Program Cook-- followed by tour of Fort Tejon. Banquet: Instead of eating my supper, I poured the Lancaster wine from the previous year at each table. I had carried home all the left-over wine from the 2009 Reunion, and I did not want to have to deal with storing surplus Lancaster area wine another year until the next reunion. I think we got rid of it by the end of the banquet. Also there was this weird thing where the musical group brought more people than we had contracted for, and I think they expected to be paid more because more of them showed up. If that was not enough to alter my appetite, they also had no singing-- because I had sent printed songs to their manager months earlier, they had the idea that I would be doing all the singing! So they sat there, more of them than we expected, and played instrumentals, waiting for me to come up and do vocals. I don't remember if I ever did eat my food. After the banquet, we had period music and dancing, and no singing.

2009 Lebec (Fort Tejon), Best-Rest Inn, 8-10 May. Organized by Mike Presswood of Camp 1208. Our 15th Annual Reunion. Friday night, supper on your own, at the Cookery. Letter from Ben Sewell, thanking us for our \$750 donation to the national organization, and his acknowledgment of additional contributions from Camps 302, 1208, and 2007. Padgett read a letter from Mr. Chernik of L.A. National Cemetery, disallowing display of our flag, "as there are no Confederates interred there." I wrote back, with documentation of Corporal Linza King, 34th Arkansas Cavalry, buried there, which authorized the display of our flag. We approve payment of SCV dues for military on combat duty overseas. We vote unanimously to waive voting rights for Camp 1631, which did not pay dues. Election of officers: Johnny Holland moved to nominate Ken Ramsey and close nominations, and everyone (almost) yelled "YAY!" and Kenny was re-elected. Steve Smith elected Lt. Cmdr. Ken Ramsey told of the flag he flies from his home, and the local newspaper article about it. Ken told us of a 3-month CHP investigation of him, because a CHP car (his) was parked under a Confederate flag (his). Conclusion: No wrongdoing; you may park your CHP car under a Confederate flag. Ken told us about flying a Confederate flag on his camper, traveling from NC to California after our National Reunion, and receiving hundreds of thumbs up and only one negative communication. Steve Smith told us of his experiences with the public in connection with his flying the flag. Open fire pit cooked lunch by Lester Gilbert, Ft. Tejon Dragoon Cook. Tour of Fort Tejon, a real WtBS military post. Period music and dancing at banquet, led by Ginger Alberti of Brodiaea's Fashions & Period Designs. I remember that Mike bought 2 cases of local area--Lancaster-- wine, for a lot of money, and more than half of it was left over. I hauled it home in my car and stored it in my bedroom for the year. Every couple months I would turn the case over, so that the red gunk would not settle at one end of the bottle. It did anyway. The date of this Reunion was a problem for some men-- it was Mother's Day-- probably not a good day to schedule a Reunion.

2008 Sacramento, Double Tree Hotel, 7-9 March, our 14th Reunion. Hosted by Lou Olker and Camp 1627. Ten of 12 camps in attendance. We have \$1407 in our treasury. Membership is down again, to 250. Adjutant distributed a roster showing top officers in each camp. Use our division website, hosted by Gary Waltrip. Division will sponsor Cmdr Ramsey's daughter as a debutante at the National Reunion. Camp of the Year point system explained again by Steve Smith. Memorial service at General Cosby's gravesite. 46th Virginia Band at banquet. Scheduled Guest speaker was Tom Cartwright, "The Battle of Franklin." Lou Olker remembers: "I paid for a suite so we could have room to gather; also the centerpieces were done by the daughter of a good friend. The tab on that almost floored me. Loye and I ran over to Costco and bought hors d'oeuvres including smoked salmon which I think Ira Lack thought was his dinner ... he ate a third of it. Next morning at our business meeting Fred Bohmfalk hit me with the news that

Cartwright was snowed in-- in Tennessee, and that Chicago airports were down because of weather. Ed Sims, D.D.S. from Sacramento saved our bacon by putting on a minstrel's outfit; explained the evolution of banjos and the history of minstrel music, and then he and a friend on guitar played music from the 1840's through the Eighties. After dinner we had our "drawing"(we had a ton of books and things ... only four silent auction items) where everyone was given a ticket at the door at no charge (we were admonished that selling raffle tickets would constitute illegal gambling; I know, police and firefighters do it all the time) so we just gave them away instead trying to set up a silent auction for every book. I remember Brad Schall, of Sons of Union Veterans, and his wife arriving about 5 pm and asked where he could get a scotch and I said "do I have a room for you!" (the Suite). When he entered the room half the guys knew him (a lot of SOBs—Sons of Both Union and Confederate) and someone called out: "Yankee alert!" I know we took off to the cemetery and accidentally left a bunch of people behind. Sorry about that. Rooms were \$99 a night. In addition to the Presidential Suite (which I paid for ... was working then!) we paid for our meeting room and coffee; banquet room; podium and microphone; dinner (I can't remember if we had red and white wine or if we paid for that ... I think we paid for two bottles each for each table.)

2007 Bakersfield, Best Western, 9-11 March. 13th Reunion. Hosted again by Kenny Ramsey and the Bakersfield 2048 Camp. Invocation by Real Son Woody Plaughter. We have \$1603 in our treasury, and 265 men in the division, down 44 from last year. Three camps lost half their men (1742; 1770; 2007), and 2 camps lost all their annual members (1440 and 1631). JB Hood remains the largest camp with 63 (down 4). Division contributes \$750 to SCV HQ, and more from camps. Steve Smith explains the Camp of the Year points system. Memorial Service at Greenlawn Cemetery. Lou Olker recalls: "The second Bakersfield, we got lost and half of us ended up at Buck Owens' gravesite at a cemetery that had the same name as the one north of town (that we finally found in time for a ceremony). I think the second one was where, at supper, the band started playing The Battle Hymn of the Republic and Marcia stood up and said "I 'm out of here!" And people started to file out the side door! What a hoot." Camp 302 received Camp of the Year. Kenny Ramsey elected Division Commander. Birthday celebration for Real Son Woody Plaughter.

2006 Bakersfield, Best Western 11 March. 12th Reunion. Hosted by Kenny Ramsey and the Bakersfield 2048 Camp. Adjutant's meeting; commander's meeting, and OCR meeting. Ro King and I present our 2-page summary of short arguments against the usual lies the Yankees tell: "Answer Back!" 4 pm, Memorial at Union Cemetery, led by Richard Kline and Tim Desmond. Sandy and I drove around for over an hour, with Donnie Kennedy in our back seat, trying to find the cemetery. We never did. Banquet Speaker: Walter Donald Kennedy (*The South Was Right*). Awards: Camp of the Year, and Rebel of the Year. Music and dance with "Geezers on the Loose."

2005 Pasadena, Marriott Hotel, 11-13 March. 11th Reunion. Organized by Mike Schooling, Treasurer, Camp 302. Friday night reception at McMurphy's Tavern, hosted by the Reunion. We have \$1468 in our treasury, and 279 men in the Division. L.A. Camp 1208 is the largest with 67 men. We raised division dues from \$2 to \$5, following spirited discussion, in which each side made cogent points. We are now a member of the Civil War Preservation Trust and can save battlefield land in the name of California SCV. We have SCV and UDC working on global positioning systems—an important new way to document part of our heritage. We have skilled people from SCV, UDC, and SUV all working together, using this technology. Cmdr of Camp 2007 Long Beach, Paul Williams, displayed his son's flag. His son, a Marine, carried this Battle Flag in Iraq. Saturday picnic in park across from hotel, by the soldier's statue, hosted by Reunion. Meeting of League of the South Members-- Nunn, Padgett, Williams. I remember providing food for this picnic-- It looked like we might be short, so Kathy and Bob Ralston offered to go buy more food. I gave them cash, and they came back a while later with soda pop and potato chips. At the Banquet: 27 members and 23 guests—50 in all. Banquet address by Prof. Jim Stanbery. Tim Desmond read a moving poem. Vern and Kent Jones led us all in patriotic song, both Confederate and Irish. Richard Kline dazzled all of us with his music. Sandy Ashdown-Turner reported that we have two Order of Confederate Rose Chapters and she is forming more. Commander Norred reported on his 9 months in office: First was the development of the Division Executive Committee. The Executive Committee consists of all the Camp Commanders, Division Adjutant, Division Lt. Commander and the Division Commander. The Past Commander was also in its makeup but Barron Smith is now the Commander of Camp 1631. We need to keep the Past Division Commander on the Executive Committee because his experience could lend valuable information to present Executive Committees. We made some simple adjustments to the Division Constitution that John Lewis our former Camp 302 Commander so graciously put together for us. New camp chartered in Dec 2003: 2048 Bakersfield. Saturday afternoon, free time, see list of tours. Sat evening, we had our banquet in the hotel, with speaker author of *A Heart Divided*, who told of singing Dixie in Russia while there for an adoption. The San Diego Camp sponsored the Reunion. Jeff Towery reported that California has two new SCV camps and presented Cmdr Steven Holcomb with a charter for the Orange County Camp. Noel Estes reported that we have 220 in our division. John Bell Hood is the largest camp with 100 members. Cmdr Ro King announced that Michael Wright, Judge Advocate, settled the lawsuit with the State of California over our displaying our materials at Fort Tejon, received an apology, a \$1000 settlement for his fees, which he donated to the camp, and a place to meet and show our heritage (the "Free Speech area at Fort Tejon). All Division officers were re-elected or reappointed. CiC Pete Orlebecke awarded Ro King for exceptional service. Jack Bridges, ATM Aide-de-Camp, came out from Texas to talk about how California could organize brigades, and presented us with an Adjutant's Handbook. Commander Jeff Towery awarded Steve Holcomb "Division Outstanding Person" award, and

presented him with the Orange County Camp charter, one of two new camps formed this year. The memorial service was held at Mount Hope Cemetery, with CiC Orlebeck laying a wreath, and Real Son Woody Plaughter giving the eulogy. 1996 Concord, Sheraton Concord Hotel. 17-19 May. "With our colors proudly flying from the flagpole"(Ro King). The 2nd Reunion. Paul Toland, organizer, hosted by Camp 1627 Sacramento. Two Real Sons attended: Woody Plaughter and George Washington Plaughter (whose father served in the 7th Virginia Cavalry, and was 83 when he had his 21st child by his 3rd wife). Progress has been made for a 6th California Camp, in the Inland Empire. Camp 1208 reported a heritage violation: At a meeting of that camp at Fort Tejon, a park ranger forced Div Cmdr Towery to remove an SCV poster. Camp 1208 Cmdr Michael Wright informed her that this was against the law, and our constitutional rights had been violated, and he filed suit against the California Parks Commission. The Division had 209 members last year, with 106 in Camp 1208, according to Dr. Ro King, Cmdr. Camp 1627 Sacramento report given by Cmdr Russ Rider. More than 12 graves of Confederate Veterans have been located and memorialized, with help from UDC. Cmdr Towery and Chuck Bess displayed the California Division Flag, the Stars and Bars with the California Bear on the white bar, and "California Division, Sons of Confederate Veterans" displayed in the blue canton. The flag was hand made by Randy Burroughs and presented by Paul Toland as a gift to the Division, from Stainless Banner Camp 1440. Elections: Jeff Towery and Barron Smith re-elected, and Noel Estes re-appointed adjutant-- from 7 pages of notes by Deputy Adjutant Ken Gilliam, 20 May 1996. And from Randy Burrough's report in the Camp 1440 Newsletter of 24 May 1996: "All 5 camps were in attendance, with about 60 people there." The Wilfred W. Knight Award for outstanding service was presented to Adjutant Noel Estes. From Lou Olker, 6 May 2014: "Paul and I did not have a clue and were not under any pressure because, basically, we didn't know what the hell we were doing. All I remember were a lot of ice chests; for our Saturday morning meeting at 9 there were donuts and croissants left out in the hall on a stand, near a previous 8:00 am motivational meeting in an adjacent room, and Paul and I confiscated them and their big coffee server and plastic cups. On a shoestring. But we all had fun and I was surprised how many men came up to Concord from Los Angeles. The Manager was a gal from Georgia, and when we arrived there was a big sign saying: "Welcome Sons of Confederate Veterans!" and the First National Flag and our new California Division flag. It rained that night and Paul knocked on my door the next morning early and said, "We have to take down the State Flag! It rained last night, and it is pink!" Alas! The Gay Confederatos! I think Paul sort of thought that at the time. He was a great guy and I miss him; don't know whatever happened to him. Can't find a trace."

1995 Berkeley. 5-7 May; planned as the 2nd Annual California Division Convention at the Berkeley Marina Marriott Hotel, with the Memorial Service for Confederate soldiers buried in Mt. View Cemetery in Oakland. Convention chairs were Chuck Bess of Pleasanton and Randy Burroughs of Suisun City. Registration, \$58 per person --from Ro King's copy of the Apr 1995 Camp 1208 *Aide-de-Camp*, with registration form cut out. Convention cancelled due to too few registrations. We lost our \$500 deposit.

1994 Ventura, Double Tree Hotel, 24-25 June; 1st Reunion. 36 attendees; members from all 5 camps attended, and we have a complete list of them. Hosted by Santa Barbara Camp 1631, Dr. Maner Thorpe, commanding. Welcome Letter to this, the first division convention, from Don Clotworthy, noted a real daughter living in Santa Maria, and Santa Barbara's Arlington Theater. Commander Maner Thorpe introduced ATM Commander Pete Orlebecke, who addressed the convention. Jeff Towery, Commander of Camp 1208 Los Angeles, chaired the business meeting. The division constitution, modelled on the Texas version, was unanimously adopted. Camp reports: 302 given by Lt Cmdr Gene Armistead; 1440 by Cmdr Chuck Bess; 1627 by Adj Frank Smith; 1631 by Adj Don Clotworthy, and 1208 by Adj Noel Estes, who reported that his camp had 130 members. A \$2 annual division due was adopted, after a \$5 annual dues was voted down by 3 of the 5 camps. Jeff Towery was elected Division Commander, and Barron Smith Lt Cmdr. After lunch in the hotel garden, Randy Burroughs of Camp 1440 presented on historic Confederate unit flags. There was a Confederate Memorial Service at the Carpentaria Cemetery, honoring 4 Confederates, led by Barron Smith. At the evening banquet, Commande Orlebecke gave the oath of office to the division officers. The evening's speaker was Gen. Bailey McCune, on California Confederates. Registration, \$45 per person. – These notes in part from Gene Armistead's convention minutes, and his article in the Camp 1208 *Aide-de-Camp*, October 1994.

A Note on Sources: I've compiled this history from my own notes—I attended every reunion starting in 2001. I also used our camp and division newsletters, from Dr. Ro King, Noel Estes, and Dr. Maner Thorpe. Lou Olker provided comments on several early reunions; Tad Smith assisted with 2015, and Jim Stephens with 2016, 2018, 2019, and 2020, and Jim Millsap, Robert Williams, Chris Hurst-Loeffler, and Steve Browning with 2021. – Vern
